“Today you learned that it’s important to **FOCUS on what you can see**. So, what are some things God made that you can see? (flowers, trees, animals, people, the sun, stars, etc.) Yes! And you know what? The God who made the ENTIRE universe—the God who made all of these things—loves YOU! In fact, He loves you so much that you can’t even imagine how much He loves you! He loves you so much that He sent His Son, Jesus, just for you! Now THAT’s a lot of love! “So, remember: **FOCUS on what you can see**. Because when you **FOCUS on what you can see**, you can see how amazing and wonderful and powerful and kind and good and loving God is! So, remember: **FOCUS on what you can see!**”

**Pray:** “God, You are amazing! You are so creative! We just have to look at the number of colors in the world to see Your creativity. You love us so much! We just have to look at all the ways You feed us and all the wonderful things You created for us to enjoy. Thank You for showing us who You are in Your creation. Amen!”
