SAY: "Our Bible story today was about how God made everything—the sun, stars, trees, mountains, oceans, people, and yes, ANIMALS! And even though we can't see God, we know He is real because we can see everything He made. "Let's make a list (or draw a picture) of some things God made. When you think of something God made, say it and I'll write it down or you can draw a picture. Wow! When we look around, we see LOTS of amazing things God made because God made everything! Hmmm. I see something else God made that we need to add to our list or picture. I am going to add your name because God made you! This list (or picture) we made is awesome! Good job! We can use it later when we pray. But first, I have a very important question. God made a wonderful world and everything in it for us, but He gave us something even better. Do you remember WHO is the best gift ever that God gave us? (Pause.) "YES! Jesus! God gave us Jesus to be our friend forever!"

PRAYER: "Dear God, we want to tell You how amazing and powerful and creative and loving You are. Even though we can't see You, we know You are real because we see ALL the things You made, like (read the list you made or talk about the pictures). And I especially want to thank You for making us. And I know You love us with a super big love because You gave us Jesus to be our friend forever. We love You, God. In Jesus' name, amen."
